

Life INC Volunteer Opportunities

Volunteer Roles and Duties

There are a variety of opportunities for members of your church to join in the work of poverty alleviation. Each volunteer has a unique, irreplaceable role in making the entire night a blessing to our participants. Each of the descriptions below will explain the duties of that role, state the time commitment required, and denote how many of that volunteer type is needed each night. Our desire is that every volunteer sees their role as simply a means to forging friendships with our participants. Every role below can be fulfilled by a different volunteer each week or by the same volunteer all quarter. There is no requirement to commit to the whole quarter.

A. Greeters: We need one greeter to welcome participants as they come in the door and check them into class. The greeter also ensures that volunteers log their attendance and number of hours served. Serves from 5:00—6:15pm. Could do double-duty at resource booth or setup/tear down. [Volunteers needed: 1 each night]

B. Resource Booth: Participants can earn a bag of groceries, haircut voucher, diaper voucher, or other resource by attending class or completing homework. We need one volunteer to operate the resource booth where they will receive tickets from participants, dispense the resource of their choice, and track which resource were handed out that night. Serves from 6:30—8:00pm. Could do double-duty as greeter or setup/tear down. [Volunteers needed: 1 each night].

C. Children's Ministry: Children of participants (and volunteers!) from 1st grade and up participate in a children's ministry program each night. This is not simply childcare. There is a short Bible lesson with discussion, music, and games played during the evening. Serves from 5:30—8:00pm. [Volunteers needed: 2 adults each night, additional youth welcome to volunteer as well]

D. Nursery: Children of participants (and volunteers!) in kindergarten or below reside in nursery care during the evening. Serves from 5:30—8:00pm. [Volunteers needed: 2 adults each night, additional youth welcome to volunteer as well].

E. Setup/Tear down: This depends entirely on your location. [Volunteers needed: Site Dependent]
