MESSAGE NOTES

5.11.25 | BUILDING ON AN UNSHAKEABLE FOUNDATION with Pastor Sande Lofberg

"But we cannot assume that [God] feels about us the way we feel about ourselves—unless we love ourselves compassionately, intensely, and freely. In human form Jesus revealed to us what God is like. He exposed our projections for the idolatry that they are and gave us the way to become free of them. It takes a profound conversion to accept that God is relentlessly tender and compassionate toward us just as we are—not in spite of our sins and faults (that would not be total acceptance), but with them. Though God does not condone or sanction evil, He does not withhold his love because there is evil in us."
