## UPCOMING EVENTS AND NEWS

### COMMUNITY OUTREACH — partnering with FAMILY PROMISE OF THE BLACK HILLS

*We have a valuable opportunity to support families in need through Family Promise of the Black Hills. This program supports families facing housing instability, providing them with assistance during a challenging time in their lives. Together, we can bless these families in practical ways!*

#### **You can get involved by donating:**

*— small-amount gift cards (fast food, gas, grocery stores, or general use) to reward hard work and meet urgent needs — grocery store gift cards — eight complete, non-refrigerated meal kits for a family of four (for example, tuna helper with canned tuna) — Rapid Ride bus pass tickets to help families get to appointments, interviews, or work — practical items like toilet paper, trash bags, baby wipes, size 4-5 diapers, and hygiene products — or anything else you'd like to bless a family struggling with housing instability or houselessness.*

### WOMEN'S NIGHT — Friday, Aug. 16, 6:00 pm

*Join the ladies for an evening of fun, games, and fellowship. We will be meeting in the office building.*

### VITALANT BLOOD DRIVE @ DESTINY — Tuesday, August 19, 2:00 to 5:00 pm

The Vitalant mobile bus will be parked out front, and their friendly team will provide everything needed, including refreshments for donors. Our goal is to collect **14 units of life-saving blood** to help replenish the local supply after the Sturgis Rally. Please consider giving the gift of life! Sign up today at the Welcome Center or via the QR code on the announcement slide.*
