MESSAGE NOTES

LIVING LIFE AT 33 1/3—Get Your Groove On!

1. When we are living at 33 1/3 speed if our hole is off Center, there's bound to be a bit more warble than what we would like and it is not going to sound very good. If He is not our center, if we are drilling our own hole where _____ think the center is, what comes out of our speakers will not be a very good reproduction of what He has "recorded".

"...I will give them this covenant: I will embed (record) my laws into their hearts and fasten my Word to their thoughts." "I will not ever again remember their sins and lawless deeds!" Hebrews 10:16-17

2. He promises to wipe our _____ clean!

"...if we keep living in the pure light that surrounds him, we share unbroken fellowship with one another, and the blood of Jesus, his Son, continually cleanses us from all sin." 1 John 1:7 TPT

AW Tozer: "Personally, I think we ought to think more about the blood of the Lamb than we do, and less about Calvary; more about the blood and less about the place where He died; more about the wonder of what happened there in the darkness. It's not so much the place, but rather what happened at that place. People can become enamored with the symbol of the cross and forget what really happened on the cross. It's not the cross that saves us but what Christ did while on that cross."

3. God loves the _____!!

- John Eldridge says it another way "The main thing that God wants out of my life is not my achievements, but rather the person I have become."

So we are convinced that every detail of our lives is continually woven together for good, for we are his lovers who have been called to fulfill his designed purpose. For he knew all about us before we were born and he destined us from the beginning to share the likeness of his Son. This means the Son is the oldest among a vast family of brothers and sisters who will become just like him." Romans 8:28-29 TPT

Frederick Buechner: *If God speaks to us at all, other than through such official channels as the Bible and the church, then I think that he speaks to us largely through what happens to us. So that what I've done in this book and in its predecessor is to listen back over what has happened to me as I hope my readers may be moved to listen back over what has happened to them for the sound above all else of his voice.*

We are so used to hearing what we want to hear and remaining deaf to what it would be well for us to hear that it is hard to break the habit. "But if we keep our hearts and minds open, as well as our ears, if we listen with patience and hope, if we remember it all deeply and honestly, then I think we can come to recognize, beyond all doubt, that however faintly we may hear him, God is indeed speaking to us. And that however little we may understand of it, his word to each of us is recoverable and precious beyond telling."

- Am I living my life at cross purposes _ God? Or Cross purposes ___ God?

4. John Eldridge says "The fundamental mistake we make as human beings is how do I fit a little bit of _____ into a busy life?"

5. Jesus spoke of the absolute need for us to abide in Him, that without Him, we can do nothing.

AW Tozer *"Now this word 'abide' means 'continue.' And since a Christian is one joined to Jesus Christ by a union of life, then abide means remain in that union. Live on in that union. Continue in that union. You must desire to abide in the vine. You must will to do it. You must will to do it."*

6. Jesus did not create you to _____ for Him; He created you to _____ with Him! When we walk with Him, the music that comes out of our speakers will be sweet!

Oswald Chambers *"It is not what a man does that is of final importance, but what he is in what he does. The atmosphere produced by a man, much more than his activities, have the lasting influence."*
